[WILCOX RI Sept 19-2016 Sample Request Form 8-19-16.doc](#)

All, please find attached the updated Lab Request Forms for Wilcox Oil. As discussed, we will be in the field the week of September 19 and will not be able to collect soil samples at this time. All water and air sampling is unchanged and on schedule as previously discussed.

Please call with any questions.

Thanks

For your reference, emails germane to Wilcox sampling requests are attached as well.

Also, we anticipate soil sampling in October, the exact dates unknown at this time. There are no anticipated changes related to COPC, however, there may be some adjustment to the overall number of samples collected. All of this is contingent on remaining funding.

As always, Thank you for your time and patience with me.
